

Black/grey is the
standard colour,
but all RAL colours
are available.

Legs bend & stretch

Description of materials	Welded, blasted and galvanised (or metallised) metal construction, with epoxy coating.
Function	With this equipment you exercise the ankle joints.
Usage	Take a seat or place your wheelchair at the right position. Place your feet on the disc. From a neutral position, make a downwards movement so your toes are pointed to the ground. Repete this exercise with your ankles pointed to the ground. It's also possible to do this exercise with 1 foot. Pay attention! Always take a seat before placing your feet on the disc. Balance!

Type	OFS100526
Dim.	83 x 108 x 112 cm
Space	120 x 120 cm
Montage	50 x 50 x 70 cm, must be secured in position with concrete.
Weight	15 kg
